

4 Courses

Fundamentals of Quantitative Modeling

Introduction to Spreadsheets and Models

Financial Acumen for Non-Financial Managers

Introduction to Corporate Finance

Dec 20, 2020

## Nickolas Black

has successfully completed the online, non-credit Specialization

# Finance & Quantitative Modeling for Analysts

This learner has successfully completed all four courses in the Wharton Modeling and Finance for Analysts Specialization and has learned to put data to work by using spreadsheets and leverage spreadsheets as a powerful, accessible data analysis tool. This learner was also introduced to the world of corporate finance, and gained a better understanding of finance fundamentals, including a variety of real-world situations spanning personal finance, corporate decision-making and financial intermediation.
